

## Product Purchase and Enrollment Availability:

BlueHPN is available to the ASO NGF LG NGF and SG ACA market segments in the service area below. All enrolled subscribers and dependents (members) must live in one of the BlueHPN service areas to be eligible for the product.

*Note: Employers considering a BlueHPN plan should offer the product as part of a multi-option (provided the group is eligible to offer two or more plans) as employees may need to move in and out of service areas. The employer must be eligible for the products that it chooses as part of a dual or more offering. Blue Cross NC cannot allow a group to add a new plan mid-year to account for service area changes.*
